

Future Engineers Scholarship

Official Application Requirements

- Deadline: October 15, 2026 at 11:59 PM Pacific Time.
- A current resume in PDF format is required.
- An unofficial transcript is required.
- An original essay between 400 and 500 words must answer: "How will engineering help you improve your community?"
- One recommendation letter from a teacher, counselor, employer, or community leader is required.
- The combined PDF packet must be named exactly LastName_FirstName_2026.pdf.

Eligibility

- The applicant must be enrolled in high school or college during the 2026 academic year.
- The applicant must have a minimum cumulative GPA of 3.0.
- Engineering, computer science, technology, or related majors are preferred.

Optional Material

- Applicants may include a one-page project portfolio.

Consistency Notice

The committee may request clarification if names, email addresses, school information, or graduation dates are inconsistent across submitted materials.
